## **NEW** **VERSAPRO™ Gel Base**

*Efficient. Endurant. Essential.*

**VERSAPRO™ Gel Base** is MEDISCA's new addition to the **VERSAPRO™** family. Much like its predecessor, **VERSAPRO™ Cream Base**, this product is a highly versatile pharmaceutical gel compatible with a wide range of actives. Stable at high temperatures, this clear, viscous gel is non-sticky free of parabens and is intended for the preparation of gel-cream emulsions.
